**Permission to Release Personal and/or Confidential
Information to CALAMP**

I hereby give permission to lenders, governmental agencies, and other entities to release personal, financial, and other confidential information to CALAMP. I further give permission to discuss such matters with CALAMP in order to resolve any issues.

I hereby give permission to CALAMP to release information provided to the mediator assigned to the case. I understand this information is being released for the purpose of mediation only and shall not be released for any other purpose without my permission.
